Hi Dilshad:

Did Jim speak to you about assigning you a rad site in upstate NY? See below message from Eric M. I am going to start working on the Action Memo for Niagara Falls Boulevard. Attached is the Site Investigation for Holy Trinity Cemetery. I am not sure Jim informed anyone else about the assignments. I have been in contact with Nick and I have requested NYS background information from him. There are no other documents (RSE or Action Memo) created for these sites. Depending on start dates, we may need to coordinate for rad resources (ORIA/Rad equipment).

Please let me know if I can help out in any way.

Thanks

Regards,

Eric

Eric,

Start working on the sites Jim assigned you. Start working the Action Memo and anything else that needs doing to stay on schedule. No need to delay.

Thanks,

Eric M
